OT-200: Revolutionary ordering terminal

The functionality and stylish appearance of the OT-200 is especially suited to the hospitality environment thanks to its compact size, lightweight design, and durability. Orders can be transmitted directly from the OT-200 to the bar or kitchen via WiFi, allowing your employees to spend more time with guests and less time walking back and forth.

With its touch-enabled 4.3" widescreen LCD, integrated WiFi and Bluetooth, 1.2 metre drop test and IP54 rating, OT-200 is a cost effective handheld terminal which will enhance any hospitality solution.

- Reduces time spent on order taking and keying orders into POS system ~ information is directly transmitted via wireless to POS terminal and kitchen.
- Improves staff efficiency by eliminating need for waiters to go to kitchen to deliver orders
- Order processing time is immediate since kitchen receives order right away, allowing for quicker service, and higher table turnover
- Improved accuracy of order taking
- With its stylish and modern design, coupled with the latest technology, OT-200 will impress guests and enhance their customer experience

Add-on RFID module

Add-on MSR module

Packed with comprehensive accessories

Print orders directly to MP-300 mobile printer via Bluetooth

Specification	
CPU	Samsung S3C6410 667 MHz processor
Operating System	Microsoft® Windows™ Mobile 6.5 Professional
Display	4.3" TFT LCD with Touch Screen, widescreen 800*480
Memory	256MB Flash, 256MB SDRAM
